Pet Adoption Application

We are glad that you have come to adopt an animal from our facility. Please take a few minutes to carefully read and complete this application. The decision to adopt a pet is an important one. The adoption process is designed to help us meet the best interest of the animals, and assist you in finding the animal most compatible to your lifestyle. In order to insure that you and your pet will be happy for years to come, we ask that you tell us about any questions or concerns you may have. Before you begin your search for your new best friend please note the following:

- You must be **21 years** of age or older to adopt.
- You must have a proper form of picture ID.
- You must be prepared to pay an adoption fee.
- If you rent, you must present us with a copy of your lease agreement.

Please understand that we cannot guarantee the health of our animals. We cannot guarantee that an animal has had training or is housebroken. Our adoption fee includes spay/neuter, first set of vaccinations, heartworm testing and/or feline leukemia testing. **HCHS reserves the right to deny any application.** Thanks for your patience and cooperation.

EVERY ANIMAL WILL BE SPAYED/NEUTERED BEFORE BEING PLACED INTO THEIR NEW HOME.
